## *Immigrant Heritage Recipe Collection*

A "deliciously tasteful" cookbook that brings together recipes from the IHRC's ethnic collections AND the center's friends.

Dozens of cooks answered the call earlier this year and submitted mouth-watering and eye-pleasing recipes. Just imagine the international flavors of Greek Tiropites (cheese appetizers), Russian Malinnick (fruit soup), Lebanese Tabooley, Hungarian Chicken Paprikash, Italian Risotto Bianco, and Korvapuusteja (Finnish Cinnamon Rolls). These are among the 130+ diverse favorites featured in this limited-edition, spiral-bound cookbook, in categories from soup to dessert. Illustrated with archived photos. Limited edition.

*To everyone who helped this amazing collection come together, the IHRC and Friends of IHRC offer a hearty: "Grazie. Kiitos. Vd'aka. Paldies. Diakuiu. Díky. UaTsaug. Thanks!"*
